ABHA TIWARI

Bilaspur, Chhattisgarh, India | abha69528@gmail.com | https://github.com/Abha153 | https://www.linkedin.com/in/abha-tiwari-74571a381/

PROFESSIONAL SUMMARY

Computer Science undergraduate (3rd Semester) with a strong interest in Cybersecurity, Networking, Linux, AI, and Cloud Computing. Passionate about learning by building real-world projects and solving practical problems. Experienced with Python, Git, Linux CLI, networking fundamentals, and web development. Currently exploring Security Operations Center (SOC) workflows, AI-powered security automation, and incident response while seeking internship opportunities to apply and expand technical skills.

EDUCATION

Bachelor of Technology (B.Tech), Computer Science & Engineering *2025 – 2029*

Government Engineering College, Bilaspur

- SPI: 8.5 / 10 (1st Semester)
- CGPET State Rank: 129
- JEE Main 2025: 86.66 Percentile

TECHNICAL SKILLS

- **Programming:** Python, C, C++, HTML, CSS
- **Cybersecurity:** Linux, Networking Fundamentals, TCP/IP, DNS, HTTP/HTTPS, Web Security Basics, Incident Response Fundamentals
- **Tools & Platforms:** Git, GitHub, VS Code, Streamlit, Tkinter
- **Currently Learning:** Cloud Computing, AI Agents, SOC Operations, Large Language Models

PROJECTS

AI-Powered Multi-Agent SOC Assistant *Python | Streamlit | AI Agents | Security*

- Developed an AI-powered SOC assistant that analyzes security logs, classifies threats, recommends incident response actions, and generates security reports.
- Built a multi-agent workflow spanning log analysis, threat classification, incident response, and report generation.
- Applied cybersecurity concepts including severity analysis, incident handling, and SOC workflows.

GitHub: github.com/Abha153/soc_assistant_mvp

To-Do List Pro *Python | Tkinter | JSON*

- Developed a desktop task management application with reminders, search functionality, dark mode, and persistent JSON-based storage.
- Designed an intuitive graphical interface while improving core Python programming skills.

CERTIFICATIONS

- IBM SkillsBuild Virtual Internship – AI Automation & Intelligent Solutions (2026)
- Linux CLI Basics – Cybrary
- Network Basics – Cybrary

LEARNING & ACTIVITIES

- Active TryHackMe learner with hands-on Linux and cybersecurity practice(https://tryhackme.com/p/abha69528)
- Studying Linux, Networking, Cloud Computing, and AI Systems
- Anti-Ragging Representative(1st year), Government Engineering College Bilaspur

ACHIEVEMENTS

- CGPET 2025 State Rank 129
- JEE Main 2025 86.66 Percentile
- Built and deployed multiple personal projects on GitHub
